800 ExtraBold — **The quick brown fox**

700 Bold — Logo — **The quick brown fox**

500 Medium — The quick brown fox jumps

300 Light — The quick brown fox jumps over the lazy dog

WEBSITE BODY TYPEFACE

Space Mono

Google Fonts — Free, open source · Monospace

fonts.google.com/specimen/Space+Mono

700 Bold — **Automate. Augment. Accelerate.**

400 Regular — We build AI systems for businesses — automations, chatbots, voice agents, and custom solutions.

400 Italic — *Trial-to-paid · Full system live · Built end-to-end*

Use Space Mono for website body copy, UI labels, stat callouts, and any content that benefits from a technical, precision-focused voice. Pairs naturally with Outfit headings — the contrast between geometric sans and monospace reinforces the LogiKube engineering identity.
